ANTIQU RECLAIMED WALNUT

RECLAIMED FLOORING – AUTHENTIC FROM VINTAGE STRUCTURES

A very rare find, Antique Walnut has been used historically for furniture and only sporadically as barn beams, joists and girders. An extremely rich blend of coffee-colored browns with faint touches of caramel, Antique Walnut wide plank flooring will help you create a room of unparalleled elegance and sophistication.

DISTINCTIVE ATTRIBUTES

In addition to its incomparable chocolate hues, Antique Walnut hardwood flooring displays a swirling grain pattern, occasional sound knots, nail holes, mineral stains and checking.
