TIMBER TILES

MISSION WOOD TILE

100% RECLAIMED

Our re-cycled hardwood tile is a stunning modern twist on a timeless material. Rescued from a wasteful end, these re-cycled hardwood tiles have been cut and shaped into elegant designs. Our Mission Timber Tile is a mid-century modern style that relies heavily on the linear lines of modern styling.

Our Mission Timber Tile is constructed as a 8"x20" sheet, and creates a staggered set pattern of repurposed hardwoods. This recycled hardwood tile is a stunning modern twist on a timeless material. Currently recognized as a Dimensional tile, our Mission Wood Tile is characterized by it's textural appearance and depth.
