

WOODLAND CUT PLANK WIDE PLANK FLOORING

SPECIFICATION SHEET

CIRCULAR SAWN WHITE OAK

TRADITIONALLY MILLED – THE WAY THEY USED TO DO IT

Characterized by the rugged, unyielding spirit of the Allegheny and Appalachian foothills and peaks, our Traditional Circular Sawn Oak wide plank flooring is live-sawn through an antique, 60-in. saw blade to replicate the look of early milling. Its authentic, rustic appearance is akin to reclaimed hit-skip oak.

With its vigorous mixture of dark and golden browns and honeyed tans, traditional Circular Sawn White Oak – known for its quality, strength and beauty – will help you create the perfect, enduring space.

DISTINCTIVE ATTRIBUTES

Our Circular Sawn White Oak wide plank flooring is cut from select, fully mature wood timbers. Durable Circular Sawn White Oak hardwood flooring features robust, dense grain patterns, saw marks, knots, occasional worm holes, natural face and end checking and naturally occurring over/under wood which creates the dynamic authentic old world appearance of this product.
