VINTAGE “STAVE” BARREL COLLECTION FLOORING

100% RECLAIMED

This exclusive olde world style product line is the work of master craftsmen. Each piece is a custom hand-finished work of art. No two planks are exactly alike. A variety of specialized techniques are implemented to provide distinctive timeless sophistication. A wine barrel wood floor or countertop is a statement of personal style and attention to detail. This product brings the rich history and aged beauty of wine into the personality of your unique home.

Our Stave product is created using the outer sides of the barrel. Once the hoops that hold the barrel together are removed, the leave behind a distinctive texture and markings.
