## WOOD PLANKS

### BUTCHER BLOCK PLANKS (DISTRESSED)

These butcher block planks will add instant character, appeal and functionality to any residential or commercial project.

We have a large supply of butcher block planks available. These solid red and white oak butcher block planks are ideal for residential or commercial use as table tops, bar tops, islands, benches, stair treads, shelving and more. Availability and exact sizes vary, so please contact a sales rep for more info on these unique products.
