Antique RESAWN OAK

RECLAIMED FLOORING – VIRGIN TIMBER FROM AGED STRUCTURES

The strength, durability, and availability of the massive oak trees that populated the early American forests made it the go-to timber for barn and granary construction. The mighty Oak is as much a part of Americana as the barn itself. These planks are resawn from authentic reclaimed Red and White Oak barn beams, resulting in cleaner, more uniform planks than that usual reclaimed oak floor.

You can have it all with Antique Resawn Oak – sustainable hardwood flooring with a matchless history and radiance.

DISTINCTIVE ATTRIBUTES

Our antique resawn oak hardwood wide plank flooring features a moderate, authentic mix of sound checking, sound cracks, knots and insect holes/tracks, together with same strength, durability and wear-resistance as our other reclaimed oak options.

SOLID FLOORING SPECS:

Our reclaimed flooring is 100% virgin timber taken from old wooden structures such as barns and factory buildings.

| | |
|-----------------|---|
| BOARD WIDTHS | 3" to 12" |
