Reclaimed Antique Beech/Maple

RECLAIMED ANTIQUE FLOORING – VIRGIN TIMBER FROM AGED STRUCTURES

A medium-density hardwood from Northeast Ohio’s most common forest community at the time of European settlement, Reclaimed Antique Beech/Maple – with minimal color and grain variations – combines honey and tawny blond hues with hints of pink for a stunning, light-colored floor that will brighten any room in your home.

Our 100% Reclaimed Antique Beech/Maple Wide Plank Flooring hails from old structures in the American East and Midwest, including the beams used to support the structure. Each hand-selected Reclaimed Antique Beech/Maple plank displays inherent features that epitomize naturally aged, distressed and weathered wood from some of our nation’s oldest forests.

DISTINCTIVE ATTRIBUTES

Our Reclaimed Antique Beech/Maple Wood Flooring blends several lighter wood tones with the character of tiny, cat-like scratches, as well as some knots, sound cracking and insect tracks.
