CHERRY (circular sawn)

WOODLAND CUT FLOORING – THE WAY THEY USED TO DO IT

To create our rustic, Woodland Cut Circular Sawn Cherry we run our cherry hardwood planks through an antique, 60-in. saw blade to replicate the rustic look of early milling. With stunning red-brown tones, accented by pale brown and pink sapwood, this cherry wood flooring will lend itself perfectly to any room where you want to create a traditionally aged, yet elegant atmosphere.
