

Faded Grey/Brown Back Planed Barn Siding

Our faded gray/brown reclaimed barn wood siding is a curated assortment of various species and displays naturally weathered shades of gray and antique browns. This reclaimed barn wood blends the full spectrum of colors and textures into a single product and coordinates well with a variety of other building materials and accent elements. Each board is a testament to the natural beauty and variability in reclaimed wood. This product is one of our most popular reclaimed barn wood options.

BARN SIDING SPECS:

Hand-selected from weathered barns of the American Northeast, each board is individually inspected and graded to ensure durability, preservation and long life.
