

RDW Historic Plank Original Face Mixed Hardwood Barn Siding

Our RDW mixed hardwood reclaimed barn wood is primarily reclaimed from agrarian structures in the eastern and mid-western United States. The majority of this reclaimed barn wood was originally used as siding and framing, thus it has varying textures and weatherization. Mixed hardwood barn siding exhibits a variety of colors, ranging from blonde to tan to brown to gray.

BARN SIDING SPECS:

Hand-selected from weathered barns of the American Northeast, each board is individually inspected and graded to ensure durability, preservation and long life.
